ABSTRACT

Human always need an impulsion factor to do something in his life. He sometimes uses his feelings and sometimes uses some believes and sometimes uses some objects and sometimes uses artistic approaches and artistic impacts. Art is a powerful impulsion to move and to do many business. Art is an indispensable component of human life for his spirit like breath for his body and it is a civilisation criterion for social life like economical improvements or like political dynamics. Art education has a special situation in offical education policies even in preschool process and involves special instruments to provide growing of a child. Artistic impacts can warn people on numerous matters and can inspire people many opinions and invite people to think different and to change life. Learning gets easy with art and developes via art because of impulsion of art.

Key Words: Art, learning, impulsion, artistic approach.
